

Admission to IPMX 2019 - 20

IIM Lucknow has announced admissions to the 12th batch of IPMX. This is a one-year, full-time, post-graduate programme for mid/senior level executives and is offered at NOIDA Campus of IIM Lucknow. The highlight of the programme is the exposure of the international business environment to the students through one full term spent at some partner business school in Europe/East Asia. The students of 11th batch visited ESCP Europe, London Campus. This year the admissions will take place in two phases. Professionals may apply on or before November 15, 2018, in the first phase. Those who need not to give three months' prior notice to their organizations, may apply in the second phase during November 16, 2018 - January 25, 2019. The eligibility criteria for applying to IPMX are – graduation with minimum 50% marks, valid GMAT score, and minimum five years' post-qualification work experience.
